

COUNCIL REQUESTS ADVICE OF EXPERT

Want Impartial Opinion on
Structural Condition
of Move.

TO PERMIT MARQUISE

A routine meeting of Council Monday night was featured by a decision on the part of the Building Committee to have an independent, expert inspection made of the Narberth Theater Building, now under construction, so as to assure the residents of absolutely safe design and workmanship.

A letter was sent to George W. Elliott, Director of the Philadelphia Department of Public Safety, asking him to send an expert on theater construction from his force, to make a thorough examination and to submit a report.

Several weeks ago a slip on the part of the steel riggers caused the framework to collapse, and while the builders, Salasin and Freed, of Ardmore, have quickly complied with any corrective suggestions made by Building Inspector George B. Supple, Council decided to have the examination made for the protection both of the theater owners and the public.

An ordinance was introduced making a special exception to the building code so as to permit of the construction of the marquee over the pavement in front of the theater. This structure is already outlined in steel-work.

Reports were received from the various committees. That of the Highway Committee reporting the completion of the Haverford avenue storm sewer and other work will be printed in full in a later issue for the information of our readers.

Council approved the report of the Borough Property Committee which contained a recommendation that the Recreation Board should be authorized to award the contract for painting the Community Building to Mr. N. R. Peacock, of 407 Essex avenue, whose bid of \$120 was the lowest which had been received. In addition, Council authorized the Recreation Board to expend not more than \$25 on re-pointing the brickwork of the Community Building wherever the inspector should indicate that it is necessary.

Councilman Wood, as Chairman of the Borough Property Committee, introduced a resolution recommending that the Borough Property Committee should be abolished in order to prevent duplication of effort and of responsibility between that Committee and the reorganized Recreation Board. This resolution caused a detailed and serious discussion of the responsibility of Council toward the playground and the buildings thereon and of the functions of the Recreation Board in connection therewith. President Griswold and the Burgess were of the opinion that the Borough Property Committee should be continued as a connecting link between the Recreation Board and Borough Council. While recognizing the desirability of such a connection, Councilman Wood maintained that as a practical proposition it was impossible for the Borough Property Committee to be charged with the responsibility for repairs and maintenance without having any authority over the use and occupancy of the building. It was his opinion that the total responsibility should be vested in one group so that the public, who are the owners of the building, would clearly understand who was in charge of it. On the motion of Councilman Leitch, the resolution was tabled for one month.

NARBERTH EIGHTH GRADE GIVES FAREWELL PARTY

Mothers' Council Aids in Program.
Make Gifts and Prophecy.

The eighth grade of the Narberth Junior High School had their farewell party Wednesday evening in the assembly room. After games and dancing, refreshments were served by the Mothers' Council in the lunch room which had been beautifully decorated with flowers. The tables with candles and school pennants lent a festive air to the event.

Anne VanAuken with the class history touched many almost forgotten incidents from the first grade and up. Mary Dunlap with the class prophecy surprised even the most assured of her classmates with aspirations for them that they themselves had not thought possible.

Kitty Timm with appropriate remarks presented the girls each with a little gift to help them along at Lower Merion. Fred Robb followed with similar gifts and remarks for the boys. Impromptu speeches by the teachers with many opportunities for cheering made the evening seem much too short and it is safe to say that the old lunch room never looked prettier nor did it ever harbor such a happy crowd of girls and boys who all agreed that after all there were many pleasant things to remember of their eight years at Narberth.

SUES FOR \$50,000

Counsel for Edith Eidenberg, of Narberth, began a suit against Andrew J. Bair, 2d, in Philadelphia Court last week to recover damages for alleged breach of promise of marriage. The plaintiff's statement of claim has not yet been prepared setting forth the details of the case, but her claim is for \$50,000 damages.

THE SCHEDULE

Narberth plays Paoli at Paoli this afternoon. On Wednesday the Jewish World, a strong band of Iberians, will visit Narberth to be trounced or otherwise in a twilight game at the Community Playground. The Main Line League standing is as follows:

	W.	L.	P. C.
Berwyn	3	1	.750
Gladwyn	3	1	.750
Wayne	3	1	.750
Narberth	2	2	.500
Bryn Mawr	1	3	.250
Paoli	0	4	.000

NARBERTH SCORES TWO NO-RUN GAMES

Downs Tinicum and Garrett
Hill in Pitchers'
Duels.

BOTH SCORES WERE 1-0

Narberth's superb pitching continued last Saturday afternoon against Garrett Hill and Wednesday evening against Tinicum, when both visiting teams were blanked while Narberth clouted the decisive run in its final inning of play. Both games were sensational, and made Main Line history.

Townsend allowed only four hits in Saturday's game, and struck out nine Garrett Hill swatters. Sawyer and Sherrard, opposing him, held Narberth down until the eighth inning, until two successive bases on balls and an error by Aiken gave Humphries a chance to score the winning run. It was not necessary to play out the ninth, after Garrett Hill was retired in its half.

A large and enthusiastic crowd of fans watched the game, and waited breathlessly for the outcome, which remained in doubt until the very end. Narberth is now second in the Main Line League. There is a three-cornered tie for leadership of the league, among Gladwyn, Wayne and Berwyn. Wednesday's game with Tinicum was another pitchers' epic, with Townsend again starring. Babb was given a chance in the sixth inning, however, and he also held down the visitors. Townsend struck out nine and held Tinicum to one hit only, in his innings.

Holstein, pitching for Tinicum, gave Narberth a close run for its game until the last inning, when the local fans were electrified with the scoring of a run after two outs had been made.

The Flecks scored the winning run. Varney Fleck reached first while Babb was being thrown out at second base. He stole second and waited for results.

George Fleck slammed a single over second base, and Varney romped home.

TENNIS CLUBS COMMENCES TOURNAMENT AND DINNERS

Opens Summer Season With Tournament—Honor Evans.

Summer dinners at the Tennis Club of Narberth commence today. One of the annual tournaments of club members starts today also. The membership has been divided into four parts, with a captain in charge of each group.

Allen is captain of the Greens, Kairer of the Browns, Tyson the Blues and Wine of the Reds. Match cards have been posted in the clubhouse. Each team plays another until the team with the most victories wins the tournament and the prize to be announced later.

Members are urged to get busy and play any of the other members in the same numbered position, making the scores on the proper card.

Wives and friends are invited to come with members to the dinner tonight. The charge is 75 cents for adults and 50 cents for children. Mrs. H. R. Paige, Narberth 4153, is in charge of reservations.

If dinners prove popular, they will be given each Saturday evening throughout the warm weather.

The Narberth Tennis Club held an enjoyable bridge last Friday evening at the clubhouse, which was attended by about 50 persons.

After the bridge hands had all been played, prizes distributed and refreshments served, Mr. C. B. Metzger, Sr., on behalf of the club presented the former president, Mr. W. D. R. Evans, with a humidor. The substance of Mr. Metzger's presentation speech has been set to rhymed couplets by the bard of the club, Desmond J. McTigue, Esq.

"The purpose of this great event is certainly quite evident. To honor our former president, A man who's most benevolent. W. D. R. Evans is the name; We call him 'Bill,' it's just the same. This aforementioned William Evans, Sent to us by the gods from heavens five years ago to guide our fate Into its present happy state. Surrounded by a group of men, Well-noted for their acumen, Set out with real determination, Combined with quite some perspiration. To build a club of real true worth, A tennis club here in Narberth. That he did always strive his best, Our fine clay courts do now attest. To show his work was not in vain, This gift we give in the club's name. Proud of the privilege of it when, Saluting thus the prince of men."

LUTHER LEAGUE ELECTS

The Senior Luther League will hold its last meeting of the season tomorrow at 7 P. M. at the church. Officers for the coming year will be elected. Everyone is urged to come prepared to vote.

SWITCH 1100 BORO PHONES TO CYNWYD

Change Made to Aid Ardmore
Office, Doubles Traffic
At Cynwyd

WORK BEGAN IN SPRING

Traffic at the Cynwyd exchange of the Bell Telephone Company was practically doubled Friday at 1.30 P. M. when 1100 Narberth telephone lines were switched over from the Ardmore office. Sixteen new operators, 13 of them from the Ardmore staff were added to take care of the increased traffic.

Though the borough phones were, and still are referred to as "Narberth," they were not handled by a separate Narberth exchange, but through Ardmore. The switchboard was made to relieve congestion in that office.

Before the change, the Cynwyd office was handling 1700 lines and serving approximately 3000 subscribers, located in Bala-Cynwyd, Merion, West Manayunk, Pencoed and the General Wayne district. With the Narberth additions, it is estimated that it is now serving nearly 6000 through 2800 lines.

Service Not Interrupted.

The change Friday was made without any interruption of service and the only indication that borough subscribers had of it was when calls were made to friends in Cynwyd. Instead of "passing" the number to the Cynwyd exchange as of old, the operator plugged in directly on the line and began ringing. Though the Narberth calls are now being handled through Cynwyd, borough subscribers will still be called "Narberth." This system is also in use for Merion subscribers whose calls for years have been handled through the Cynwyd office.

All Narberth calls, according to information given at the Cynwyd exchange, are now being handled through Cynwyd. The only new borough phones still to be added will be those of new subscribers.

The work of laying wires from Narberth to Cynwyd for the switch-over began over three months ago. Six weeks ago the first change was made in many borough phone numbers which were the same as some already listed at Cynwyd.

GIFT BUYS EQUIPMENT

New Shelves and Lights are Installed.

The library finished installing last week the new shelves and the lighting fixtures made possible by the gift of \$250 from the Civic Association at the time of its disbanded last winter. Both these features have been needed for some time.

The library, in the year since it has been in its new quarters, has increased its circulation and at the same time the number of books on its shelves to such an extent that further equipment became necessary to relieve the crowded condition of the poetry, biography and history sections. These sections are used constantly and in the confusion of the crowded shelves, even the most conscientious librarians have been known to slip a volume of poetry on top of the history of the world, or anywhere where there seemed to be room, ignoring for the moment the problems involved the next day when that particular book would likely be called for.

The new shelves, housing the poetry collection of about 350 books, were placed under the windows of the adult section on the north side, thus allowing the history and biography collections in the southwest corner to expand to comfortable proportions.

The new lights were installed through the volunteer services of Mr. E. C. Drew, of Chestnut avenue, who is connected with the electrical end of the Bell Telephone Company, and who understands the problems of the library because of his wife's membership on the staff as chief cataloguer. These lights are take-offs from the floor sockets, but are so arranged on top of the book cases as to throw light down over the shelves. In these days when publishers so frequently print the titles of books in dark ink on dark binding cloth such an arrangement is very important. The library is glad to express its appreciation of the gift of the Civic Association and of the valuable services of Mr. Drew.

PLAN PICNIC

Board of Trade Affair to Be Held on June 29.

Announcement was made this week of the plans for the first annual outing of the Narberth Board of Trade.

The affair, in the form of an outing and feed, will be held at the Three Tuns Inn, Ambler. Baseball games, races, pink lemonade and everything that goes with such an outing will be provided under the experienced generalship of Fred Walzer.

A beef steak dinner will follow at the inn, which has been promised to be all the business men can desire. The charge for the feed, \$2, should be presented to Secretary Nesper at once so that arrangements may be completed.

The affair is open to merchants, their clerks and friends. The committee in charge has promised transportation to all who signify their intention to go. The start will be made from the fire house at 1.30 P. M., Wednesday June 29.

Enthusiasm for the affair has been running high in the business section for weeks. The final statement of the committee is "Rain or Shine."

MAIN LINE CLUBS BACK BOYS' WORK

Churches, Schools, Business
Men, Behind Boy Council,
Formed Tuesday.

WORK STARTS IN FALL

A new organization took its place among Main Line groups Tuesday night, when the Main Line Boy Council was organized. It will supervise and coordinate boys' work in Lower Merion township and the borough of Narberth.

The formation of the new body is an outgrowth of efforts in the same direction by a number of independent groups. The interest in the subject culminated in Boys' Week last month, which was so successful that a permanent organization was deemed possible.

The council will include in its membership all organizations and individuals interested in boys. The central organization will be formed by the inclusion of one representative from each member club, under the name of board of directors. The Executive Committee, which will have direct control, will be made up of the six officers and four members at large.

Although the formation of the council was effected Tuesday and a constitution drawn up, active work will not start until fall, when the various interested groups will be drawn together. Until then a temporary committee is in charge. The temporary officers are E. A. Carlson, chairman; Harry A. Buehler, secretary; and Henry L. Reinhold, treasurer.

The group which formed the council included members of various service clubs, Legion Posts, etc. Those present were E. O. Carlson, Dr. R. M. Staley, Dr. G. P. Yocum, R. J. Boyd, P. A. Livingston, H. A. Buehler, Joseph Kalendbacher, R. A. Doran, Captain C. P. Smith, H. L. Reinhold and E. W. Baldwin.

The organizations so far listed to be represented include the Delmoat Council of Boy Scouts, American Legion Posts in Bala-Cynwyd, Merion, Narberth, Ardmore and Bryn Mawr, the Bala-Cynwyd Neighborhood Club, Merion Civic Association, Ardmore Civic Association, Narberth Board of Trade, Ardmore Chamber of Commerce, Bryn Mawr Business Association.

Bala-Cynwyd-Narberth Rotary Club, Ardmore Rotary Club, Main Line Kiwanis Club, Main Line Federation of Churches, Y. M. C. A., Main Line Citizens' Association, Italian-American Business Association, Lower Merion and Narberth Public Schools, Narberth, Bala-Cynwyd, Ardmore, Bryn Mawr and Rosemont parochial schools, Haverford, Friends' Central, Montgomery Day School, Episcopal Academy.

Others omitted from the preliminary list have been invited to choose a representative before fall. The next meeting of the Organization Committee is slated for Ardmore W. M. C. A. on Wednesday, September 21.

HOT SPELL BROKEN

Heat Cut Month's Temperature Deficiency to 35 Degrees.

Cloudy weather and cooling rain which set in early this week put a damper on the steady climb the temperature which began last Thursday, but before the relief set in the high point of 88 degrees was reached by the mercury according to the weekly report of local Weatherman Charles Decker.

Monday the temperature began to drop and by Tuesday had fallen as low as 51 degrees. The brief hot spell put June, 1927, ahead of June, 1926, as a warm month however. It lowered the large temperature deficiency which existed since June 1 and now the month is just 35 degrees behind the normal mark. Last June at this time the temperature deficiency was 51 degrees.

The barometer showed little variation during the week. It was high at 30.08, low at 29.69. Precipitation of .63 of an inch fell during the early week rainy spell. This brings the total since June 1 to 1.14 inches.

HOLY NAME MEETS

The Philadelphia Diocesan Union of Holy Name Societies will hold its regular quarterly meeting at St. Margaret's Roman Catholic Church on Narberth avenue tomorrow at 3 P. M. The Union is composed of all the Holy Name Societies of the Diocese of Philadelphia and its meetings are attended by distinguished and prominent clergy and laymen of Philadelphia.

The local officers of St. Margaret's Holy Name Society are making elaborate preparations to receive a large crowd of visitors coming by train, bus and private automobile.

FAIRVIEW TO HAVE FAIR

The Fairview Union Sunday school will hold a fair and festival at their building on Fairview road on Tuesday and Wednesday evenings, June 28 and 29. There will be entertainment and cakes, candy, ice cream, groceries, fancy articles and hot dogs for sale and a fish pond for the children.

Mrs. George Latch is in charge and with her able assistants hopes to make this fair a great success. All are invited.

GIVE CAKE SALE

The League of Women Voters will give a cake sale next Saturday in the Narberth Fruit and Produce Market.

ELWOOD PINCH HITTER

Thomas A. Elwood, assistant editor of Our Town, will assume the robe of office for the next month, during the absence from town of the editor. He is thoroughly familiar with the work, having published most of last summer's issues.

Mr. Elwood will be in the office for consultation Thursdays from 1 to 5 and irregularly through the week. At other times Miss Mozzone will, as usual, see that calls and messages are properly noted.

TO HOLD BIG FOURTH CELEBRATION HERE

Legion and Committee of Citizens
Gathering Funds.

Plans are nearing completion for Narberth's annual Independence Day celebration at the playground. Baseball, music and fireworks will be the main attractions.

A committee of the American Legion, aided by a group of citizens are working hard on the project, planning to make this year's affair the best of any. The tentative program calls for a flag raising at 3 o'clock on the playground, using the new flagpole erected from funds given by the Narberth Civic Association. The ceremony will be short, followed at 3.15 by the baseball game with Wayne.

The game will be enlivened by band music, and the same band will play for the evening events. These will consist of music and a complete fireworks display, similar to the successful exhibits of other years.

The American Legion Committee is composed of Harry A. Simpson, chairman; W. Russell Green, Robert C. Collins and Roland K. Hewitt. The cooperating citizens are William J. Bailey, Ralph S. Dunne, E. P. Dold and W. P. Davies. Mr. Dunne is also a member of the local post.

Funds will be raised by means of a mail appeal sent to each resident. An envelope is enclosed to make it easy for the contributions of a dollar or more to be sent to the committee.

KROMER IS SPEAKER

Township Squire Talks to Rotarians.

Franklin P. Kromer, one of the three Justices of the Peace in Lower Merion and operator of a string of taxicabs in Cynwyd, was the principal speaker at the weekly luncheon of the Bala-Cynwyd Rotary Club Tuesday at the Cynwyd Club. His topic was himself and he talked in compliance with a rule of the club which requires all members at one time or another to give personal "obituaries."

In giving his talk, Squire Kromer revealed a vein of humor which kept the Rotarians chuckling constantly.

He traced briefly his history from his birth near Allentown, through activities as a shoe salesman, manager of a store and sales manager. These were ended when he changed his residence to Cynwyd and entered into the taxi business with a brother. Married in 1902, he will soon celebrate his twenty-fifth wedding anniversary.

"My ambition," the squire concluded, "is not to be a millionaire. It is only to be so situated that I can spend all my winters fishing in Florida and all the summers doing the same thing in Jersey."

During the business session of the club, Alex C. Shand, Jr., land developer of Narberth, was admitted to membership in the club.

CHILDREN AID FUND

Give Play for Mississippi Flood Sufferers.

The Misses Jane Stevens, Dorothy Moore, Katherine Cannon, Patricia Stevens, Helen Kerrigan, Margaret Dougherty, Emilie Kerrigan and Helen Cannon gave a three-act play, "The Little Sister with Big Ears," and an entertainment last Wednesday.

Proceeds of the play were given to Father Hayes for the victims of the Mississippi flood. The play was written and staged by Janet Stevens, 11 years old. Miss Dorothy Moore did a toe dance and Miss Margaret Dougherty a Spanish dance, between acts. Patricia Stevens, dressed as Little Boy Blue, recited Eugene Feld's poem of the same name. Jane Stevens and Helen Kerrigan sang "Silver Moon." Miss Emilie Kerrigan recited "The Flag Goes By," while the cast stood at attention.

WILL ADMITTED

The will of William Halloway, late of Narberth, was admitted to probate in Norristown last Monday and disposes of an estate valued at \$20,000, which is placed in trust for the life benefit of his wife, Adelaide M. Halloway, with reversionary interest vested at her death in a son, William Halloway, and grandchildren, Edith H. Snyder. The son, William, is named as executor of the will which was executed October 26, 1926.

DIPHTHERIA PATIENT

Pearl Hatfield, Avon Apartment, Merion, on the fringe of Narberth, was listed as a diphtheria case by Lower Merion Health Officer Marvin E. Reynolds last week.

GIVE ANNUAL PARTY

The annual party for the King's Heralds and Little Light Bearers of the M. E. Church will be held next Saturday at 3 P. M.

NARBERTH SCHOOLS CLOSE FOR SUMMER

School Board Elects Walter
Steckbeck Treasurer at
Meeting.

FIELD DAY EXERCISES

Narberth's schools closed yesterday for the summer, following field day exercises last Thursday and a meeting of the School Board last Friday. There will be no August meeting of the Board.

Walter Steckbeck was unanimously elected treasurer for the fiscal year beginning July 1, at Friday's meeting of the School Board. Ida S. Munro was elected to fill the vacancy in the teaching staff caused by Mrs. Elsbree's decision to withdraw from teaching work.

Miss Munro was a valued member of the teaching force during the school year 1924-1925. She returns after two years' work as supervising principal in Reade Township near Altoona.

Dr. King, secretary of the Board, is now on his way to Berkeley, California, where he will conduct courses at summer school. En route, he will lecture for one week at the University of North Dakota, Grand Forks, N. D.

The field day exercises arranged by Miss Church and Mr. Cook were held on Thursday morning and afternoon. The Junior High School met for boys was won by the 8B section with 34½ points. The 7B section was second with 29 points out of which were won by William Neder who was high scorer; Sever Rose was second with 15 points.

The contest for girls was won by the Reds with a score of 77; the Grays' score was 41. By grades the scores were seventh grade, 60; eighth grade, 58.

In the relay races the 5B girls won from the 5A girls, the 5A boys won their race with the 5B boys. In the sixth grade relays the A girls and the B boys were the winners.

The end-ball games were won by the 6A girls, 19 to 2 and the 6A boys, 12 to 6.

D. A. R. HONORS FLAG

Delegates to State Conference in
September are Announced.

On Tuesday, June 14, the Dr. Benjamin Rush Chapter, Daughters of the American Revolution, held a special meeting at the home of the regent, Mrs. Charles M. Irwin. A very interesting program commemorating Flag Day was given.

The Flag Day procession of President Coolidge was read by Mrs. Irwin. Some interesting facts about the birth of our flag were given by Mrs. B. E. Achenbach. Miss Dorothy Irwin played "Stars and Stripes Forever," by Sousa. The program closed with the singing of "The Star-Spangled Banner" by all.

The following delegates to the State Conference to be held at Bedford Springs September 19-22 were elected: Mrs. Charles M. Irwin, regent; Mrs. Joseph R. Aiken, Mrs. Robert Dothard, Mrs. Joseph H. Miller, Mrs. H. G. Vene-mann.

Alternates: Mrs. Hugh Martin, Mrs. John L. Miller, Mrs. B. Earl Achenbach, Mrs. F. H. Hewitt, Mrs. T. B. Du Marais.

The next meeting will be the second Saturday in October. It was decided to have a luncheon at that time. Mrs. W. R. O'Sullivan was appointed chairman of the Luncheon Committee.

FORM VACATION READING CLUB IN NARBERTH SCHOOL

Library and Mothers' Council Sup-
port Plan.

The Mothers' Council has arranged for a Vacation Reading Club to be formed among Narberth girls and boys of age from the second grade to the eighth. All who wish to join the club may do so by promising to read during the summer at least 10 books chosen from a selected list, and by keeping in a note book provided for the purpose a list of the books which have been read, with certain other information. The note books will cost three cents apiece and may be purchased before school closes. Children of grades 2-4 are to read 10 books during the summer, and children of grades 5-8 are to read 15.

A certificate will be given to each child who completes his reading as shown by his notebook and a prize will be given to the one who presents in the fall the best kept note book.

The list of books will be posted in the Community Library after June 20, and all the books for the reading may be obtained there. Children wishing to join this club may leave their names at the school or at the library.

GORMSEN—HUTTON

Reverend Cletus A. Senft, pastor of Holy Trinity Lutheran Church, solemnized his first wedding Wednesday, when he united Miss Florence Hutton and Mr. John Gormsen in the bonds of matrimony. Mr. Senft became pastor of the Lutheran Church June 5, following his graduation from the Lutheran Theological Seminary at Gettysburg last month.

Mrs. Gormsen came from Easton before she resided in Narberth. The bridal couple will make their residence, following a honeymoon trip, at the home of the bride's aunt and uncle, the Cummings, on 443 Woodbine avenue.

SATURDAY CLOSING ORDER

By the Narberth Coal Company

Beginning today, Saturday, June 18th, our
yard and office will be closed each Saturday until
the end of August.Our customers, we know, have many more de-
lightful plans for these lovely summer week-ends
than having their next winter's coal supply deliv-
ered, and so we conveniently switch all our deliveries
to the remaining five good working days each week
for the next two months. Everybody happy?

Business as usual the rest of the week.

HOMELIKE

Just as the name implies
a home laundry service

If you like to have all your washing and ironing done, and at a price that's almost unprecedented for such complete service, you'll want to try our Homelike Service.

Everything is washed sweetly clean in pure water. Then we iron everything—Dresses, Shirts, Skirts, Childrens' Clothes—and finally, such few pieces as need it we touch up around the Cuffs, Neck, etc., with a hand iron. All you have to do is lay your things away—no laundress to bother with, no mussy, steamy work in the kitchen or basement; a whole day for additional leisure gained.

Because of the very moderate charge we make for this service we use no starch.

You can't
look at a tire
and tell how
far it will run

YOU CAN'T SEE a tire carcass because it is covered by the tread. Yet the way this carcass is built tells how far the tire will run.

Dunlop has had 39 years to learn all the hidden points where tires wear. Dunlop carcasses are built from the best long fibre cotton, spun in Dunlop's own mills into the famous Dunlop cable-twist cord.

These cords are elastic, so they give and take as your tire runs; strong, so they resist constant load and pounding. They build the best possible foundation for the Dunlop tread—the toughest rubber development known.

Thus Dunlop's extra years of experience build added value into every vital tire-part. That is why, not one Dunlop—but every Dunlop—gives you more service than you can reasonably expect.

We recommend that you put Dunlops on your car

FOUNDERS OF THE PNEUMATIC TIRE INDUSTRY

OFFICIALS INVADE JERSEY

On Trip Which Begins in Wee Hours of Morn—Fish Is Object.

The Lower Merion police department, its lower judiciary, its treasurer's office and the Cynwyd Plumbing and Heating Company, were involved in an invasion of Jersey, which began in the wee hours of Thursday morning. The destination was Fortescue on the banks of the Delaware River and the object was fish.

Rumors early in the week had it that the funny ones were biting great—all of which caused Squire Frank Kromer to organize a party for investigation. Those involved were Township Treasurer Peter C. Hess, Police Lieutenant Patsy Mullen, Police Sergeant Brown and Police Clerk Irvin Donaghy. The Cynwyd Plumbing, etc., was represented by Bill Decker, sole manager and proprietor. The party left at 3 A. M. and motored down, returned at 7 P. M.

Howard Kromer, Cynwyd's star angler, headed a party which first investigated the Fortescue hunting grounds early in the week. Included in it were H. E. Sibson, Mrs. Ira Woodbury, Dr. and Mrs. J. J. Crick. They brought back a string of 80 to substantiate their reports that the fishing was good.

HAVERFORD GRADUATION

Township School Awards Diplomas to Seventy-nine Tonight.

Diplomas will be awarded to 79 members of the graduating class of the Haverford Township High School at the annual commencement exercises to be held tonight at the school.

Dorothy Loveland is valedictorian and Jack Gresimer will deliver the salutatory address. Joseph W. Huff, superintendent, will award the scholarships and prizes and the diplomas will be presented by William J. Serrill, president of the board.

The class officers are: John Montgomery Cookenbach, president; Stanley Irving Ray, vice president; Adele Pauline Walton, secretary, and Edna Isabelle Duttke, treasurer.

The graduates:

Mary E. Aldred, Edward Altman, 3d, Mary E. Bach, Theodore E. Beadle, Eleanor B. Bradbury, George R. Bradbury, Elmer J. Brice, Eleanor W. Brown, Lillian A. Burke, Helen M. Chatham, Lloyd A. Derickson, Edwin E. Dunwoody, James A. Fisher, Elwood F. Gable, Charlotte C. Garwood, Louis J. Geist, Jr., John D. Gresimer, Frank G. Hackett, John J. Lyons, Robert J. McCoy, William A. Wiley, Charles M. Williams, Florence E. Wolf, Gleason H. Wood.

IS FIRST BENEFICIARY

Officer Elwyn A. Fletcher's widow is the first to benefit by the Lower Merion Police Pension Fund, which was founded three years ago with \$600. It is hoped to increase the fund to \$100,000 as soon as possible, that there may be sufficient resources to pension all police employees eventually.

Officer Fletcher died last Thursday following a motorcycle accident while chasing a speeding motorist. He was 27 years old, had been a member of the police force since March 11, 1924.

Contributing members to the pension fund are written letters only once a year, requesting contributions. There are 1200 such members on the roll kept by Evan L. James, Assistant Township Secretary. Lower Merion's police number nearly 70, pensions for all of whom, it is hoped, will be provided for by the fund.

WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM

Everything
a motor car can offer

Beauty Trim, graceful lines; charming proportions; rich Duco colorings; tasteful interiors—all combine to make Buick beautiful.

Comfort Ample wheelbase and cantilever springs; softly cushioned seats, conveniently arranged—Buick builds comfort for driver and passengers into every car.

Performance Buick's powerful six-cylinder Valve-in-Head engine, now vibrationless beyond belief, provides a new and higher standard of motor car performance.

Economy Low operating cost; long life; slow depreciation—these are examples of the economy of owning a Buick.

Value Because Buick gives everything a motor car can offer—in greater measure, at moderate cost—Buick is today the greatest value automobile dollars can buy.
